#### Read this before Registration

Please read the instructions carefully before you start registration.

#### Why WDCGG starts Registration

WDCGG introduced registration at the request of data contributors. Your name, organization, and valid e-mail address will facilitate communication and collaboration with contributors. Contributors reserve the right to know who downloaded their data. We will not distribute or use your e-mail address for any other purpose.

#### Steps for Registration

- Step1: Fill out the registration form
- Step2: Submit the filled form
- Step3: Receive an email containing a URL
- Step4: Access the URL and complete your registration

You will get your account after registration completes.
